

**SLOVAK UNIVERSITY of TECHNOLOGY in BRATISLAVA  
MECHANICAL ENGINEERING FACULTY**

**Symposium on Computer Geometry  
SCG'2012**

**October 19 - 21, 2012  
KOČOVCE**

Dear colleagues,

it is our pleasure to announce You that the 20<sup>th</sup> Symposium on Computer Geometry will be held on October 19 - 21, 2012, in the recreational centre of the Civil Engineering Faculty of STU in Kočovce. All interested participants are invited to join this annual meeting of Slovak geometers. The symposium will cover the following major topics:

- geometry in the context of mathematical education
- geometry and its applications
- geometric modeling and computer graphics

All contributions dealing with geometric topics, theory, education or applications of geometry in technical and scientific specialisations, or design and art are invited. Participants can present their contributions as talks, reports, posters, exhibitions of models, or presentations of didactic materials and computer programmes.

We are looking forward to meeting also all interested participants from abroad.

All applied papers delivered before **August 15, 2012** to the address of the symposium in the electronic form (preferably Word files) will be reviewed and after acceptance published in the Proceedings. Camera ready papers (max. 6 pages, any additional page will be charged 5 € each) prepared in the prescribed format (see Instructions for authors) and corrected with respect to the review reports are expected at the symposium address not later than **the 24<sup>th</sup> of September 2012**.

Conference fee **150,- Euros** (covering accommodation and full board for 2 days, conference materials and Proceedings) can be sent to our bank account

SWIFT: LUBASKBX

IBAN SK05 3100 0000 0040 4019 8208

Variable symbol: 20 2012 00**xx**

whereas the last two figures **xx** will be delivered to all symposium participants separately, by e-mail messages sent to the addresses given in their applications,

or paid directly at the registration in Kočovce.

Participants are kindly asked to fill the included preliminary electronic registration form and submit it not later than **August 15, 2012**.

Table with the meal bookings for the symposium days can be updated and changed accordingly to Your needs. Your inserted and submitted data will be stored in our database and saved, upon the security of Your own personal password. Please, note that the last update must be submitted not later than **October 10, 2012**.

**IMPORTANT DEADLINES:**

August 15, 2012	Preliminary applications
August 15, 2012	Papers - first forms for review
September 14, 2012	Delivery of reviews
September 24, 2012	Conference fee payment
September 24, 2012	Camera-ready papers - final forms
October 10, 2012	Meals and accommodation bookings

We are looking forward to meeting all interested participants, old friends and new lovers of Geometry.

Conference Organisation Committee: *[Velichová - Szarková - Richtáriková](#)*

**Symposium on Computer Geometry SCG'2012**  
**19.- 21. 10. 2012, Kočovce, SLOVAKIA**

*Application Form*

Name and Surname, Academic Degree:

.....

Address: .....

.....

e-mail: .....

- I apply :
- lecture ( 30 minutes)
  - report ( 20 minutes)
  - information ( 10 minutes )
  - poster
  - exhibition of didactic materials and models
  - presentation of software products, educational programmes

entitled: .....

.....

Special software and hardware requests: .....

.....

I book the following meals and accommodation during the symposium:

Date	Breakfast	Lunch	Dinner	Bed
Wednesday 19.10.2012	not served			
Thursday 20.10.2012				
Friday 21.10.2012			not served	
Comment:	<a href="#">Mark the chosen meal in the table</a> <a href="#">Vegetarian diet can be indicated below, in the Notes and comments.</a>
